

Sacristan Guideline

Sacred Vessels used for Mass

Sacristan sets the Credence table and Gift table for Mass. Brings the chalice, bowl and towel, and water cruet to the **Credence table**. Pours wine into the flagon (pitcher), adds hosts in the ciborium (dish). and places the pitcher and ciborium on the **Gift table; [near the Cry Room]**.

Lights the altar candles and the candles on both sides of the Tabernacle 15 minutes before Mass begins. You do **not** have to be an Extraordinary Eucharistic Minister to be a Sacristan. Sign up for desired Mass. Frequency depends on numbers.
