

SAINT MADELEINE SOPHIE CHURCH
LECTOR SCHEDULE
April 2025

The Scrutiny readings (5th Sunday of Lent) continue this month and the reading of the Passion occurs on Palm Sunday. We will be doing these readings in parts.

This year all of the Narrator parts will be spoken by Deacon Tom at all the Masses. Deacon Tom will be doing his reading from the Altar as will the presiding priest (as Jesus).

I have arranged the schedule so that the second reader also has a reading part so that they can remain at the ambo for the Gospel after their reading (to minimize movement). **However, the reading for April 4/5 (5th Sunday of Lent) has two speakers for a total of 4 parts. Please check with the celebrant to determine which microphone you should use for your part, since things often get changed.**

Also, note the part for the Passion labeled **“Voice/Crowd”** is expected to be primarily the **“Voice”** with the expectation that the congregation will speak as the **“Crowd”** but **if there is no/light response you should also be speaking this part.**

I will be sending out copies of the readings to the lectors reading those parts within the next week.
